

PRODUCTS

Innov8 Biotics: Pro/Pre/Enzymes
Helps to balance and support intestinal flora and increase healthy bacteria. Digestive enzymes help to aid in the absorption of nutrients and breakdown and digestion of foods. **\$54.95**

Sweet Dreams: Sleep Formula
Promotes relaxation, naturally supports stress relief that may cause insomnia. Improves sleep quality so you wake up feeling refreshed and ready for your day. **\$59.95**

Innov8 Complete: Liquid Vitamins
Innov8tive Complete is a daily liquid vitamin that helps to support and maintain a healthy body. Due to the liquid form, vitamins are quickly assimilated into the bloodstream. Liquid vitamins are reported to have an absorption rate of approximately 95% and a concentration four times more than vitamin capsules. This results in higher bioactivity as well as greater health benefits. **\$56.60**

Success Spray: Diet Assist
Success Spray helps to improve energy, reduce inflammation, reduce cravings and optimize nutrition. Aids in mental concentration, management of stress hormone response and control of appetite. To be used in conjunction with Success Diet Plan. **\$139.95**

Invigor8: Energy Drink
Assist with physical performance through improved stamina while also boosting mental function and focus. Designed to increase metabolism while providing immune protection with vitamin B. **\$64.95**

Sh8ke It Up: Protein Supplement
Sh8ke It Up is an excellent source of protein between meals to satisfy hunger and fuel your muscles. With a delicate vanilla flavor and easily digestible proteins it will support your weight management routine. **\$69.00**

Innov8tive Greens & Ignite: Metabolic Thermogenic Package
Our Metabolic Thermogenic Package will help speed up your metabolism, burn calories and suppress appetite. As the body digests the complex nutrients it can increase metabolism, burn calories and decrease appetite.

Innov8tive Ignite capsules help to suppress appetite, and burn calories while boosting energy and focus. **\$158.00**
