

# PRODUCTS

## Innov8 Biotics: Pro/Pre/Enzymes

Helps to balance and support intestinal flora and increase healthy bacteria. Digestive enzymes help to aid in the absorption of nutrients and breakdown and digestion of foods. **\$54.95**

## Sweet Dreams: Sleep Formula

Promotes relaxation, naturally supports stress relief that may cause insomnia. Improves sleep quality so you wake up feeling refreshed and ready for your day. **\$59.95**

## Innov8 Complete: Liquid Vitamins

A daily liquid vitamin that helps to support and maintain a healthy body. Due to the liquid form, vitamins are quickly assimilated into the bloodstream. Liquid vitamins are reported to have an absorption rate of approximately 95% and a concentration four times more than vitamin capsules. This results in higher bioactivity as well as greater health benefits. **\$56.60** (bottle) **\$78** (15 single serving packs)

## Success Spray: Diet Assist

Success Spray helps to improve energy, reduce inflammation, reduce cravings and optimize nutrition. Aids in mental concentration, management of stress hormone response and control of appetite. To be used in conjunction with Success Diet Plan. **\$139.95**

## Invigor8: Energy Drink

Assist with physical performance through improved stamina while also boosting mental function and focus. Designed to increase metabolism while providing immune protection with vitamin B. **\$64.95**

## Sh8ke It Up: Protein Supplement

Sh8ke It Up is an excellent source of protein between meals to satisfy hunger and fuel your muscles. With a delicate vanilla flavor and easily digestible proteins it will support your weight management routine. **\$69.00**

## Innov8ive Greens & Ignite: Metabolic Thermogenic Package

Help speed up your metabolism, burn calories and suppress appetite as the body digests the complex nutrients in GREENS. The IGNITE capsules help to suppress appetite, and burn calories while boosting energy and focus. **\$158.00**

## Innov8ive SKIN: Day, Night & Eye Cream

Enriched with anti-aging ingredients like peptides and unique Stem Cell technology, our advanced formulas penetrate cells, dramatically improving skin hydration and revitalizing appearance.

**\$148.00** (also available individually)
